

An attractive figure is not a matter of size but of correct proportions. The stout women who are never spoken of as "stout" are those who give a little time and thought to proper corseting.

Rengo Belt Reducing Corsets give the wearer an appearance of alenderness. The exclusive Rengo Belt feature gives strength and support where the greatest strain falls - over the abdomen and hips. They have the reputation of being "the most economical reducing corsets ever devised."

Priced from \$2 to \$10

THE REID and RUGHES CO.

The local committee of the campaigr for Irish relief received on Tiursday \$1,000 from Rev. J. J. McCale of Jewett City as that city's contribution to the fund for a suffernment of the campaigr fund for a suffernment of the campaigr and the camp City as that city's contribution to the fund for a suffering humanity. The amount was about twice the sum estimated by the local committee as a fair contribution from Jewett City and was a very agreeable surprise to the dis ict chair man, Timothy C. Murphy. The result obtained shows the very effect of support of the District of Columbia is composed of Connecticut Society of the District of Columbia is composed of Connecticut Society of the District of Columbia is composed of Connecticut Society of the District of Columbia is composed of Connecticut Society of the District of Columbia is composed of Connecticut Society of the District of Columbia is composed of Connecticut Society of the District of Columbia is composed of Connecticut Society of the District of Columbia is composed of Connecticut Society of the District of Columbia is composed of Connecticut Society of the District of Columbia is composed of Connecticut Society of the District of Columbia is composed of Connecticut Society of the District of Columbia is composed of Connecticut people, making their residence in Washington, with the connecticut Society of the District of Columbia is composed of Connecticut people, making their residence in Washington, with the connecticut Society of the District of Columbia is composed of Connecticut people, making their residence in Washington, with the connecticut Society of the District of Columbia is composed of Connecticut people, making their residence in Washington, with the connecticut Society of the District of Columbia is composed of Connecticut people, making their residence in Washington, with the connecticut society and the connecticut society of the Columbia is composed of Columbia in the Columbia in the Columbia is composed of Columbia in the Colum obtained shows the very effect e work don by Rev. Father McCabe and his corps of canvassers, and is another evi-dence of the generosity of the Jewett City

people.

The committee also acknowledges the receipt of \$5 from Lodge No. 269, I. O. B.

A. The committee will close their books on Saturday and render their final accounting on Monday. All canvassers are expected to have made complete re-turns by Saturday night.

Fower persons were killed on railroads in 1919 than in any year since 1898.

The Porteons & Mitchell Co.

WE ADVERTISE EXACTLY

# The Right Way to Measure Value.

There are two ways to measure value. A common way is to measure it by price alone. The man who does that usually

gets poor clothes. The right way to measure

value is by the service you get. The clothes we sell give you real service. They have got to be good value, because we guarantee them to satisfy you,

Suits, \$25 and \$45

or refund your money.

Murphy & McGarry 207 Main Street

AND THIS IS HOW Let us attach a pair of our rubber heels to your shoes. Walk around on them a day or two. Notice how much brighter you feel-not so tired any more-more desire to work, etc. Try a pair teday.
